

NORTH QUAY CAMPSHIRE

Refurbishment of the North Wall Quays from the Point Depot to Spencer Dock

Client: Dublin Dockland Development Authority

SUMMARY:

Value: €4.0 million

Architect: DDDA

Status: Complete

Services Provided:

Design Report, Detailed Design

Construction supervision

The Project involved the refurbishment of the North Wall Quays from the Point Depot to Spencer Dock. This involved the demolition of existing warehouses, excavating and reusing existing cobbled paving, new lighting, public access and street furniture

As part of the scheme there was the upgrade of services along the Quay to allow the berthing of ships
